

Cybertech Asia Mumbai 2027

Jio Convention Centre, Bandra Kurla Complex (BKC), Mumbai, India

on 17–18 March 2027

Individuals and business delegations from Liberia are invited to participate in the Cybertech Asia Mumbai 2027 organized by Cybertech Global Events at the Jio Convention Centre, BKC, Mumbai, India, on 17-18 March 2027 (dates are subject to final confirmation).

This two-day event will bring together a distinguished community of global leaders, cybersecurity experts, industry innovators, technology pioneers, startups, stakeholders and key representatives from across Asia. It will provide a platform for meaningful dialogue, strategic partnerships and the exchange of ideas around next-generation technologies shaping digital transformation, cybersecurity, AI, innovation and resilience across sectors.

The event aims to create a collaborative environment for insightful discussions and high-level networking, providing a unique opportunity to showcase solutions shaping the future of cybersecurity, AI, aviation, fintech, maritime technology, startups and the wider digital ecosystem.

For further details and registration, please contact Ms. Kanika Mehra, Events Coordinator, Cybertech Global Events at
