

India's vision of **Viksit Bharat 2047** is driving a transformative phase of urban development, with significant investments across infrastructure, housing, mobility, water, public works and sustainable city solutions. This presents a strong opportunity to deepen international partnerships and bring global expertise, technologies and investment into India's urban ecosystem.

In this context, we are pleased to inform you about the celebration of **Municipalika 2026 – the 19th International Exhibition & Conference on Safe, Smart &**

Sustainable City Solutions, being held from **9–11 December 2026 at Hall 6, Bharat Mandapam, New Delhi**.

Municipalika 2026 is organised by Fairfest Media Limited and Good Governance India Foundation and it has the **support of the Ministry of Housing & Urban Affairs**

(MoHUA), Government of India, and the Atal Mission for Rejuvenation and Urban Transformation (AMRUT), strengthening the platform's engagement with India's urban development priorities, states, cities and Urban Local Bodies.

Over two decades, Municipalika has evolved into one of India's most comprehensive **B2G and B2B platforms for urban innovation, infrastructure and city development**. It connects international companies and institutions directly with policymakers, municipal commissioners, urban development authorities, public works departments, planners, engineers, EPCs, developers, technology providers, trade bodies and procurement stakeholders.

Together with **CAPEX – Construction, Architecture, Planning & Engineering Expo** and **PWX – Public Works Expo**, Municipalika creates an integrated platform covering the full urban-development and public-works ecosystem.

The upcoming edition is expected to bring together:

- **300+ exhibitors**
- **3,000+ delegates**
- **10,000+ trade visitors**
- **Representation from 15+ countries**
- **25+ Indian states**
- **Stakeholders from 500+ cities**

Municipalika 2026 unites city leaders, engineers, planners, policymakers, and innovators to co-create the next phase of India's urban growth. The event positions

urban development as the engine of economic growth, sustainability, and inclusion. Witness groundbreaking solutions from leading minds across the globe in:

- Water & Wastewater**
- Sanitation, Solid Waste Management & Recycling**
- Urban Infrastructure Development**
- Urban Housing**
- Smart and Digital Cities**
- Urban Transportation & Traffic**
- Electric Mobility**
- Green Cities**
- Environment & Pollution Control**
- Safety & Security**
- Public Works**
