

Embassy of India Monrovia

Press Release

All Indian nationals (Indian Passport holders) residing in Liberia for the purposes of work, higher education or on a short term visit are requested to register themselves with the Embassy. This information will help us provide you with the requisite assistance and facilitate any measures that need to be taken in a situation of emergency or if such a need arises. The prominent members of the Indian community are requested to encourage the Indian community members to register themselves with the Embassy at the earliest.

The following link of the newly launched website of the Embassy may be used for online registration purpose:
